### Spread the Word

It's difficult sometimes to find the time to sit down with a friend and share the word of God with them, but the GodCann Website can be a tool you can use to help spread the Word to someone you

love, and to someone who might be experiencing some difficult times here and there. All it takes is a few moments of your time to remind them that

God cares, and He specializes in doing the impossible. Remind someone today that no matter what they face—**God can** tip the scales of justice—in their favor. Don't keep it to yourself—**Spread the Word!**

### Keep the Faith

Spring is in the air and old things of winter past are now coming back to life. Barren trees and dead leaves have disappeared, and bright colors, pollen and sweet smells fill the air with boldness. As we continue to exist, in life we too will experience changes that are not always within our power to

change or regulate. It is in those times that we need to "Keep the Faith"—remembering that God is still in control. The seasons and the changes that happen in our lives are not always a bad thing. Sometimes they happen to help us grow. We should at least try to embrace them knowing that all things work together for the good of them that love the Lord. So don't fret, don't worry—just Keep the Faith. (Romans 8:28 KJV)

#### "Praying for You Today"

*Lord, what a mighty God You are. I praise and worship You for the reader today and ask that You bless them beyond measure. I ask that You meet every need they may have and heal them through and through. Keep them from the evil in this world. If they are lost dear Lord, shine Your light on them to illuminate their path that they might find their way to you. Feed them, clothe them, and minister Your grace and mercy to them forevermore. In Jesus name. Amen.*
