Spread the Word

It's difficult sometimes to find the time to sit down with a friend and share the word of God with them, but the GodCann Website can be a tool you can use to help spread the Word to someone you love, and to someone who might be experiencing some difficult times here and there. All it takes is a few moments of your time to remind them that God cares, and He specializes in doing the impossible. Remind someone today that no matter what they face—**God can** tip the scales of justice—in their favor. Don't keep it to yourself—Spread the Word!

God's Got It!

When you stand in need of something and you need it right away, who do you turn to? When you are faced with a situation that's beyond your control and not of your making, who do you call on for help? There are some people in our lives that are consistently reliable and when we reach out to them for support we know beyond a shadow of any doubt—they're right there to assist us in any way possible. There are other times in life when your back is against the wall, and you're not sure where to receive the relief you need. It is in those times; I have learned to call on God—He's waiting patiently to support us in our time of need. It's good to call on friends for help, but don't ever forget that The Lord's, got exactly what you need when you need it the most. Call on Him because "God's Got It"! (Psalm 46:1 KJV)
